HYBRID VIBURNUMS

will add fragrant beauty to your home grounds.
They are ready to take home now.

*Other Early Flowering plants
which we recommend*
are:

BRIDALWREATH SPIREA

the favorite large, white flowered Spring beauty.

PINK FLOWERING ALMOND

The small shrub covered with double pink, button-like flowers—for small spaces.

FLOWERING QUINCE

Bright red flowers. One of the widest and thickest of the hardy shrubs.

Don't forget for cool Summer shade plant now — select your shade trees in our nursery right away.

For easier and better gardening, use plenty of peat moss, and the right fertilizer for all your plants. Our trained horticulturists know what to recommend so your plants will really thrive.
